

Focus on Pierce County

This *Focus on Pierce County* report is one of a series of automated county reports. The quarterly reports mirror the Child Well-Being Data Portal by providing information on three major parts of the child welfare system: Investigations & Assessments, In-Home Services, and Out-of-Home Care. To access the Data Portal and the latest county reports, visit www.partnersforourchildren.org/child-well-being. If you are viewing this document on an Internet-connected device, the light blue boxes indicate hyperlinks.
